2015 WOMEN OF THE YEAR AWARDS

"It is the undeniable strength in women, a strength borne of compassion and not force that has brought so many of you here today. Each and every one of you has a heart of service. Your life as a mother, counselor, teacher, business woman is a testament to that fact"

Patricia Garamendi

California Assembly

Dear Women Leaders,

It is my honor to welcome you to our 2015 Women of the Year awards. The honorees today represent some of the most outstanding and dedicated women in the 3rd Congressional District. Nominated by their peers, these women and the leadership they have provided are being recognized for playing an integral and crucial role in improving the lives of everyone in their communities.

During the last 50 years women have made great strides in America. It used to be almost unheard of to see women as elected officials, CEOs, senior military officials, doctors or attorneys, but today some of our most successful leaders in the world are women. This progress has not come easy and many women before you have worked hard and strived to achieve the independence and rights you have today. I realize there is more work to be done to ensure that women have equal pay, flexible work schedules and affordable education. Each of the honorees will be a vital part of the future successes for women. I am inspired by each one of you here today and firmly believe when women succeed, America succeeds!

Congratulations,

A handwritten signature in blue ink that reads "John Garamendi".
