RE: Antioch Park and Ride Shared Mobility Hub

Dear Chairmen Cole and Womack and Ranking Members DeLauro and Quigley:

I respectfully request \$3,116,256 for the Antioch Park and Ride Shared Mobility Hub in fiscal year 2025. The entity to receive funding for this project is Contra Costa Transportation Authority located at 2999 Oak Road, Suite 100, Walnut Creek, CA 94597. While the recipient is headquartered in California's 10th Congressional District, the proposed project is in my district.

This community project funding would be used to connect riders of three fixed route bus services and the micro-transit service operated by Tri Delta Transit to nearby Amtrak and Bay Area Rapid Transit (BART) passenger rail service for commuters. The project is an appropriate use of taxpayer funds because it will improve bus-to-rail and bus-to-bus transfers by combining an access point to all modes of public transportation and other mobility options like ride shares for disadvantaged communities. The project has a federal nexus because the funding requested is for purposes authorized by section 133(b)(1) of title 23, United States Code.

Pursuant to Clause 17 of Rule XXIII of the U.S. House of Representatives, I certify that I have no financial interest in this project and neither does anyone in my immediate family. Thank you for your leadership and consideration of my request.

Sincerely,

JOHN GARAMENDI
Member of Congress
