RE: North Bailey Road Active Transportation Corridor

Dear Chairmen Cole and Womack and Ranking Members DeLauro and Quigley:

I respectfully request \$2,000,000 for the North Bailey Road Active Transportation Corridor Project in fiscal year 2025. The entity to receive funding for this project is the County of Contra Costa located at 255 Glacier Drive, Martinez, CA 94553. While the recipient is headquartered in California's 10th Congressional District, the proposed project is in my district.

This community project funding would be used to build a two-way cycle track on a heavily trafficked, major arterial road linking residents of Bay Point to the Delta de Anza Regional Trail and the Pittsburg/Bay Point Bay Area Rapid Transit (BART) Station. The project is an appropriate use of taxpayer funds because it will improve walkable access for children attending Bel Air Elementary School and to Tri-Delta Transit bus stops along Bailey Road, which currently has the highest rate of bicycle and pedestrian collisions in Contra Costa County. The project has a federal nexus because the funding requested is for purposes authorized by section 133(b)(7) of title 23, United States Code.

Pursuant to Clause 17 of Rule XXIII of the U.S. House of Representatives, I certify that I have no financial interest in this project and neither does anyone in my immediate family. Thank you for your leadership and consideration of my request.

Sincerely,

JOHN GARAMENDI
Member of Congress
